

Common Application for Student Organization Grants

Asia Center, Fairbank Center, Korea Institute, Reischauer Institute and South Asia Initiative

The Asia-related centers at Harvard University offer grants to undergraduate and graduate student organizations for projects relating to individual countries or spanning multiple countries in Asia. These grants are offered on an ongoing basis; however, organizations are encouraged to apply as early as possible as funds are limited.

Please submit a detailed PROJECT SUMMARY and the included BUDGET ATTACHMENT along with this form.

This form is used collectively by the five Asia-related centers and should be submitted to Jorge Espada at jespada@fas or CGIS South S118A. Do not submit copies to the individual centers.
